Subject: Honest Intentions in the Administration of Ramkhamhaeng University

Ramkhamhaeng University is committed to managing its affairs to achieve its mission with good governance, prioritizing the prevention and suppression of corruption and misconduct. To build public trust and confidence that Ramkhamhaeng University is an organization with integrity and transparency in its official operations, I hereby declare the intent to manage the university with honesty and integrity in accordance with the principles of good governance. This management will be transparent, accountable, and responsible, standing firmly against all forms of corruption. I call upon all personnel to commit to performing their duties with honesty, integrity, morality, and freedom from corruption under the following policies

1. Transparency: Disclose information regarding the operations of the agency, including procurement. Provide opportunities for the public or stakeholders to participate in inspections and maintain a clear management system for handling complaints.

2. Accountability: Be determined and intent on performing official duties to full efficiency under the law, regulations, and correct methods. Take responsibility for management decisions and be ready for inspection to build confidence in Ramkhamhaeng University.

3. Freedom from Corruption: Perform duties with honesty and integrity. Do not use one's position for the benefit of oneself, associates, or accept bribes.

4. Organizational Culture of Integrity: Do not tolerate any form of corruption and do not ignore or fail to act in preventing corruption within the agency.

5. Work Integrity within the Agency: Establish clear performance standards. Ensure fairness in operations, transparency in personnel management, budget management, and work assignments.

It is hereby announced to strictly adhere to.
